Help needed. We urgently need a volunteer to help with co-ordinating distribution of the parish magazine. The main duties of this role are to field calls that may come in from distributors and help deal with queries that may arise. Currently this is done by Ruth & Graham Vickery who also very kindly collect the magazines for us each month from the printers in Alton, bundle them up ready for each

distributor and deliver them to the Wheelhouse. They are able to continue this. But due to other commitments need to relinquish the distributor co-ordinating part of the role. This is a very important role which must be filled if we are to continue to offer the first-class delivery service our community has come to expect. For more information call the office. Please, someone, come forward!
